Thank you for calling the phone line for the Pacton on sea bus tour this is a recorded message lasting approximately four minutes and it provides general information on the town bus tour patent on see is a beautiful west coast town and has attracted tourists for many years one of the best ways of getting to know the town is to take the bus tour which provides a wonderful viewing experience from one of our open top buses the tour is a round trip of the town and there are a total of four stops where passengers can get on and off the bus a lot of people start at the first stop which is at the train station as this is where many tourists arrive in the town the next stop after the station is the aquarium which is famous for its dolphin show and which has recently expanded to include **Q11 sharks** this is well worth a visit and is very reasonably priced leaving the aquarium the bus tour goes along the coast road and after a few kilometers comes to the **Q12 old fishing village** where you can get off to stroll along the water front.
