IELTS LISTENING

Stewart’s Work Placement

Tutor: Right, Stewart? Well, I read your draft report on your work placement at the Central Museum Association. Sounds as if you had an interesting time. So you ended up making a film for them?

Stewart: Yeah, It was a film to train the employees in different museums in the techniques they should use the labeling ancient objects without damaging them. Some of them a really fragile.

Tutor: Okay, so in your report, you go through the main stages in making the film. Let’s discuss that in a little more You had to find a location somewhere to shoot the film.
