If you are driving a vehicle, please inform Reception. They will contact **q1 security**, who will identify the area where you should park your car. Please ensure that you park it in the designated area. You must keep to the campus speed limit (10 mph) at all times. Cars are parked at the owner's risk.

For your own **q2 safety**, please follow the instructions displayed on noticeboards around the campus, as well as all instructions issued by authorised personnel. Do not enter any restricted areas or touch any **q3 machinery** or other equipment unless authorised. Visitors must be accompanied by their host at all times whilst on the campus.

Entry into certain areas requires the wearing of special clothing or equipment. This will be provided for you by your host, who will advise you on the appropriate protection for the areas you visit.

Unless your host has previously obtained permission from the Institute management, **q4 photography** whether still or video, is not permitted in any part of the campus.

Children under the age of 16 must be accompanied by an adult at all times, and should only be brought on campus if the Institute management has previously agreed to this. No **q5 nursery** facilities are available for visiting children.

In the event of an **q6 accident**, call 3333 and request the assistance of site first-aid personnel.
