Type **ONE WORD ONLY** for each answer.

The 2 health practice	Dr. Fuller	Offers 3 appointments
The Shore Lane Health Centre	Dr 4

Which **TWO** of the following are offered free of charge at Shore Lane Health Centre?

☐ **E** vaccinations

Woman: Okay. Well, there's Doctor Green at The Harvey Clinic. We always recommend her for **q1 babies**, because she's very good with them and she runs a special clinic.

Man: Oh ... actually my youngest child is five, so that wouldn't be any good for us.

Woman: Right.

Man: Is there anywhere else I could try?

Woman: Yes, the **q2 Eshcol** Health Practice is the next one on my list.

Man: How do you spell that?

Woman: E-S-H-C-O-L. And it's Doctor Fuller, who has space on his list. The clinic only opened a year ago, so the facilities are all very modern.

Man: That sounds good.

Woman: And it's particularly good if you're busy during the day because they also do appointments in the **q3 evening**. They're closed on Saturday, though. The only other place on the list is the Health Centre on Shore Lane. You can register with Doctor **q4 Gormley**, that's G-O-R-M-L-E-Y. He's new there, but the centre has a very good reputation.

Man: Oh yes, I think I know the road. That would be the best one. Thanks. Could you tell me, will all their services be free?

Woman: Erm... there are usually some small charges that doctors make. Let me see what it says about the Shore Lane Centre. If you need to be **q5 vaccinated** before any trips abroad, you won't have to pay for this. Erm, what else? The sports injury treatment service operates on a paying basis, as does the nutritional therapy service. Some health centres do offer alternative therapies like homeopathy as part of their pay-to-use service. Shore Lane are hoping to do this soon – I think they may start with acupuncture. And finally, if you need to prove you're healthy or haven't had any serious injuries before a new employer will accept you, you can get a free **q6 fitness check-up** there, but you'd most likely have to pay for insurance medicals though.

Man: Okay, thanks.

Woman: You might also be interested to know the Centre is running a pilot scheme of talks for patients. I've got the list here. Actually, they look very interesting.

Man: What sort of things?

Woman: Well, the first one's about giving up smoking. It's next week, the twenty-fifth of February, at 7 pm, and that's in Room 4. It says the talk will stress the health benefits particularly for people with asthma or **q7 heart** disease.

Man: That sounds very interesting.

Woman: There's also a talk for families with children. It's on Healthy Eating and takes place on the first of March at five o'clock.

Man: Will that be at the Health Centre?

Woman: Erm, actually it's at the **q8 primary school** on Shore Lane. I imagine they're inviting the parents of pupils there – it says here 'all welcome'.

Man: Mmm, I might go to that if I have time.

Woman: There's a couple of other talks – one giving advice about how to avoid injuries while doing exercise. It's on the ninth of March. Oh, it's a late afternoon talk, at **q9 4:30**, and it'll be in Room 6. It also says the talk is suitable for all **q10 ages**. And finally, there's a talk called 'Stress Management which is ...
