JOIN A CLUB OR SOCIETY AND HAVE FUN!

A. This club was first started by a group of friends who enjoyed going to the cinema. When our trips became more frequent we realised that there must be others who also shared our love of movies. This club is for those people. Membership gives wide access to other activities like basketball and football as well as barbeques and other social functions. We don't just enjoy movies.

B. The association has many opportunities to debate and we are a non-political unbiased international organisation which aims to promote international awareness on campus. We establish links and access to the organisation's agencies and other internationalist organisations and their resources. Our plans this year include discussion groups, guest speakers and to build a model of the UN General Assembly.

C. Whether for fun or debating experience, we discuss everything from personal experience, future society or feminism. This year we plan an internal competition, weekly debates and beginners' lessons as well as chances to compete nationally. Whether it be to improve your verbal or social skills the society provides both!

D. Want to be a movie star? Then go somewhere else! On the other hand, want to work really hard for great rewards? Then come and join the club where the interesting theatre is created. We usually put on three productions each year. So if you like to write, paint, act, direct or do anything in the theatre, come and put your name down with us.

If you are interested in joining any of these clubs, you can leave a message for the President at the CAS Office in the Student Union Building. And don't forget the CAS Ball is an annual event! This year it's being held on 22 December!
