IELTS LISTENING

COMPUTER SYSTEM

Randhir Gotra: Hello. I’m Randhir Gotra from the technology department.

Dave Hadley: Ah, yes. Good. I’m Dave Hadley thanks for coming to see me.

Randhir Gotra: That’s okay. I believe he wants us to do some work for you.

Dave Hadley: Yes, that’s right. I’m responsible for students Admissions to the college. And, I use a computer system to help process student enrollments and to do the time tableing. But it really doesn’t suit the way we work these days. **Q21 It’s over 10 years old, and although it was fine when it was first introduced, It’s just not good enough now.**
