Hadley Park Community Gardens Project

**Manager:** Good morning. It's great to see so many people here. Thank you all very much for coming. Well, as you know, the community gardens that Hadley Park are really not looking as good as they should. Quite bad, really and although the local council has a budget to deal with some of the problems, we do need volunteers for other tasks. If you don't mind, I'm going to divide you into two groups. So everyone on this side of the room is Group A and the rest of you, are group B. So Group A there are a couple of things we'd like you to help. First of all, don't worry about any litter or empty bottles you see lying about one-off. The local schools has offered to help out with that as part of their own environmental project.
