The principle of Donleavy **Q<sub>11</sub> university** and I would like to welcome you to the Dinglewood campus, which is one of the **Q<sub>12</sub> three** campuses belonging to this university. This campus Dinglewood is where I have my **Q<sub>13</sub> office** and it's also the location of the languages and science campus. So some of you will be studying here.

Dinglewood is the most northerly campus. The business studies blocks are in the church down campus in the center of town and the Southern or Trailway campus, where history and architectural situated is to the south of the town.

Those of you who are enrolled in any of those courses will be taken to your respective buildings at the end of this meeting. Those of you studying on the Dinglewood campus you will have a tour later too.

This building we are assembled in is the office or administration block, block 39, and is where the weekly meetings are held. You are welcome to attend these meetings, as are all the university staff. You may want to. As many university issues are discussed that these weekly meetings. The meetings take place at 1.30 every Tuesday. So please stop by.

Two other important buildings are also located on this campus. The cafeteria and the onsite shop. You can purchase all the required **Q<sub>15</sub> books and any stationery** you need for your courses at this shop. Please bear in mind that even though you have shown your **Q<sub>14/16</sub> id passes to enter the site, you still need to use them again to buy anything** in the shop or cafeteria. This is for security reasons.

Questions 18-20

Complete the labels on the buildings on the map below.

Type **NO MORE THAN THREE WORDS AND/ OR A NUMBER** for each answer.

Block 35 Chemistry Block	Block 29 <b>20</b> <input type="text"/> Block	Block 38 Languages Centre
Cafeteria		Office and Administration Block
Block 33 University <b>19</b> <input type="text"/>		Block 30 <b>18</b> <input type="text"/> School
Gate		Gardens

Now, If I could draw your attention to the back page of your joining instructions booklet. You will see a small map of this campus Dinglewood. The block we are in now the office and administration block is located between the languages center block 38 and the **Q<sub>18</sub> physics** school block 30 that's 30. These are both on the right of the plan.

The cafeteria, which is open from 7 a.m. to 9:30 p.m. is on the left of the plan. It is between the chemistry block number 35 and the **Q<sub>19</sub> university** Shop Block 33. At the university shop. You can get all you will need in terms of course materials.

The **Q<sub>20</sub> biology** block is blocked number 29 as you'll find the biology block between the chemistry block and the languages center. Be careful with the numbers as they are not always logical.

As you will see, There are gardens on the right-hand side of the gate. These are being extended over the next two months and a memorial **Q<sub>17</sub> fountain** is being installed in the middle of the campus. This means that the campus will be very noisy during normal working hours. However, the campus will look much nicer when it is all finished.

Right. So that's it for your initial campus orientation. At this point, could the language students all follow me, please and the rest of you please assemble under the banners which show your main topic of study and you will be directed to the other campuses?
