I beach protection
<b>J</b> animal health
<b>K</b> recreation programs

### **Health programs**

The continued promotion of healthier living within the community has seen an increase in fitness awareness and a need for trained staff in the Fitness and Sport industries. Fitness Instruction courses are offered at Tweed Heads and teach students how to put together and lead a safe fitness program.

Lismore offers the Aged Support program and Port Macquarie offers the Early Childhood Nursing program. These courses give you the theoretical skills, knowledge and practical experience needed to work in a variety of residential and community-based health care institutions. For students interested in working in the Remedial Health Care industry, Kingscliff is a specialist centre for the Natural Therapy Diploma and has a health clinic on campus.

### **Environmental Studies**

The Environmental Studies courses offered by the North Coast College have been developed to help students increase their awareness and understanding of environmental issues and to enable them to determine their environmental impact. The Environmental Practice course, which includes Coastal Management, is offered through Ballina campus.

For people interested in working to restore degraded natural forests, the North Coast College offers the Forest Regeneration course at Casino. This course can provide a pathway for students into the Natural Resource Management Diploma at university. Marine Industry Management programs are offered at Coffs Harbour.
