We offer hundreds of courses in a whole range of subjects from reading, writing and maths to business and management. Many of these are specially designed for people whose first language isn't English.

Step one: have a chat with a friendly member of staff in one of our 1,500 Learn With Us centres around the country. They can advise you on the most suitable course. They'll also work out whether you qualify for funding, so that you won't have to pay the full fee for the course.

You might want to try a taster lesson first. This is a single computer session in any subject of your choice, and it will show you what learning with Learn With Us is like.

When you've made your final decision, step two is to register on your course. Once you've done this, a staff member will show you how to get started, whether you're using a computer at home, at work or at a Learn With Us centre.

That's all you need to do! When you start your course, you can contact your Learn With Us centre by phone (we're open during normal office hours) or email if you need help.
